

Clean-Smart 2K

8075

Cleaning fluid for the hardener component of 2K systems for industrial use

PRODUCT DESCRIPTION

Product numbers

8075000210

General

Cleaning solution with good dissolving power for industrial use for cleaning the hardener component of 2K systems. Very good compatibility with water-based paints. By using Clean-Smart 2K, hardener reactions (crystallisation) can be avoided.

Application area

Cleaning of hardener-carrying parts of 2K application equipment when working with water-based 2K coatings.

PROCESSING

Application technique

The product is ready to use.

ORDERING INFORMATION

Size of trading unit

20 l

FURTHER DETAILS

Durability / storage

Min. 2 year(s) in the original sealed containers.

Make sure the product is protected against moisture, direct sunlight, frost and high temperatures (above 30 °C).

Safety information

Further information on the subject of safety during transport, storage and handling as well as disposal can be found in the relevant safety data sheet. The current version can be accessed on the Internet at www.adler-lacke.com.

The product is only suitable for the industrial and professional use.

It is recommended to use safety gloves and safety glasses while processing.
